

# Engineering your solutions during COVID-19.

**Both our Rotorua and Auckland teams are back in the office.**

Dobbie's will be returning to both our offices at 1215 Amohia Street, Rotorua and 20 Northcroft Street, Takapuna, Auckland from **Monday 18th of May 2020**.

Working remotely brought its difficulties however we have learnt new communication skills and the experience has provided a number of new ideas to improve the service we provide.

We have set up new safety procedures for working in the office, travelling, and working at site. This includes contact tracing, social distancing, and cleaning. Where possible, to minimise face to face contact, we will conduct meetings via Teams or your preferred software.

Once again we would like to thank everyone for their support and we look forward to continuing to work together.
